

Article Title: NEC India bets big on enterprise telephony mkt  
-----

NEW DELHI, INDIA: NEC India has set target to gain 20 per cent market share in the enterprise telephony segment of Indian hospitality sector in the next two years where it expects hotel industry would contribute to the maximum growth for the company.

“We expect to rise from our current market share which is about 8 per cent to 20 per cent in the next two years,” said Ravinder Raina, country head, Private Network Solutions, NEC India at the launch of UNIVERGE SV 8500 - an enterprise communications solution for unified communication.
